Our guests don't check in, they move in. This is because InTown Suites is home. We're neighborly and inviting - a safe harbor and a warm welcome.

We do the little things that make our guests feel special: a warm welcome, a friendly smile, a little help with some groceries. It's through these small gestures of kindness that we show you our appreciation for choosing InTown Suites.

Big plans. Bigger smiles.

InTown Suites just added 50 Sun Suites, Crestwood Suites and Home-Towne Suites to our family. We will be rebranding these locations in the future. Along with expanding the InTown family, we are in the process of making significant interior and exterior renovations to all of our properties! Visit www.intownsuites.com for updates and a schedule of improvements.
